d
ac caput durum frontem expudoratum cornum acutum
ab
v+ praeterea

caput -itis n. head

praeterea besides, in addition

durus -a -um hard

frons frontis f. forehead, brow

expudoratus -a -um lacking in shame, brazen

cornu -us n. horn

acutus -a -um sharp

caput praeterea durum in addition, a hard head

frontem expudoratum a shameless brow

cornum acutum a sharp horn

• • • • •
• Here, and in the passage that follows, the meaning is both literal and metaphorical.
• Many of the metaphors still have the same meaning in English today, such as 'hard
• head' implying stubbornness or 'sharp horn' implying defiance and pride.
