plurimus -a -um	very many, a great number of
scholasticus -i	student, student of rhetoric

<i>plurimi hoc signo scholastici nascuntur</i>	<i>very many rhetoric students are born in this sign</i>
<i>et arietilli</i>	<i>and the ram-like</i>

arietilli      *If this refers to a specific occupation, the meaning is lost. The literal meaning is clear, but there is obviously a metaphorical meaning as well, now lost, possibly obscene.*
